Subject: EMDF ROD Comments- Responsiveness Summary

Good morning, Carl.

I apologize for the delay in getting these comments to you. I did decide to review the ROD to see areas where there could be some relationship to communicating/clarifying issues associated with understanding/responding community concerns.

I did add text to the true Responsiveness Summary (Part 3) of the document. Please review, if you desire, and let me know if there should be changes before we send to TechLaw.

Thank you for allowing me to add these comments.

Connie
